

## Completed Projects

“A Green Power Solution for Underwater Robots”,  
Breakout Labs, Thiel Foundation

“An Environmentally-Powered Underwater Glider for  
Ocean Research”, Schmidt Marine Technology Partners,  
Schmidt Family Foundation

“Design, Development and Test of Ocean Energy  
Harvesting Systems”, Phase 1 Small Business  
Innovation Research (SBIR), Office of Naval Research  
(ONR)

“Clean Energy from Air-Sea Temperature Differences”,  
Phase 1 SBIR, National Oceanic and Atmospheric  
Administration (NOAA), Department of Commerce
